(Section Break)

Is this an application for re-appointment?

This application is not for re-appointment.

For which board, committee, or commission are you applying?

Planning Board

Other Committee

Field not completed.

Why would you like to serve?

I have served on the Tuscaloosa Alabama City Planning Committee while a resident in that city and gained an appreciation of the importance of good city planning.

I talked with Gregory Schwarz at a recent event. He told me of the 3 Planning Board Alternate vacancies. I have an interest in serving my community and have some experience in this area.

State a few of what you feel your qualifications are or why you wish to be appointed to this board / committee.

I am retired from my former career in university administration having served as vice president or vice chancellor for university advancement at four universities. My responsibilities included participating on civic boards and commissions in Charlotte, NC; Tuscaloosa, Alabama; Kansas City, MO; Bangor, ME Berkeley, CA and Bloomington, IN. At each of these cities I was able to view how responsible good planning helped each of those cities. And, I also was able to learn how poor planning decisions hurt those same cities.

Certification

I hereby certify that I meet the basic requirements for applying to a Lebanon board / committee.
