RE: Upcoming Arts & Culture Commission Meeting on February 25, 2020

DATE: February 19, 2020

Members of the Arts & Culture Commission and Downtown Lebanon TIF Advisory Board,

In anticipation of upcoming opportunities for coordination and collaboration between your two committees, the City Manager has encouraged members of the Downtown TIF Advisory Board to attend the next Arts & Culture Commission meeting to get acquainted with regard to your respective roles and responsibilities. This would be a "meet and greet" opportunity to find out what each committee is working on, particularly with respect to the area of Downtown Lebanon in which TIF funds may be generated and spent.

The Arts & Culture Commission will next meet on Tuesday, February 25th beginning at 6:30pm in Room 385 in the temporary City Hall location at 20 West Park Street.

Hope to see you all soon.
