

**AGENDA
LEBANON CITY COUNCIL
JUNE 3, 2020**

8. OLD BUSINESS:

8.A – ORDINANCE #2020-07

RESCHEDULE PUBLIC HEARING TO JULY 1, 2020

BACKGROUND

Regulations regarding discharges to the City's Stormwater Drainage System have been in place since 2014. The purpose of the existing regulations is to control and prohibit illicit connections and discharges into the storm drain system in order to comply with the requirement of the National Pollutant Discharge Elimination System permit process, in conformity with the City's Illicit Discharge Detection and Elimination Plan (November 2011).

Ordinance #2020-07 proposes to implement a permitting system for connections to and extension/expansion of the existing stormwater system. Legal review of the proposed ordinance brought about questions that require further work before a legal opinion can be issued in accordance with City Code Chapter 115. Therefore, the Council is asked to reschedule the public hearing to July 1st.

ACTION

The following motion is offered for consideration:

MOVED, that the Lebanon City Council hereby reschedules the public hearing for proposed Ordinance #2020-07, to repeal and replace City Code Chapter 124, Use of Public Stormwater System, to Wednesday, July 1, 2020, beginning at 7:00pm, Remote via Microsoft Teams.
