

2021 Fee Schedule for Disposal/Recycling at the Lebanon Solid Waste Facility – Effective January 1, 2021

Item	Current Fee	Approved Fee	Revenue Impact	Rationale
MSW and household trash	\$75/ton	\$75.75/ton (1 punch/30 gallon bag)	Revenues increase by approximately \$80,000.	This slight increase will still be a fair market rate
Construction and Demolition Debris - Commercial Note – This does not include Mixed Aggregates	\$150/ton	No Change		
Mattresses	\$9 per item (6 punches) \$120.00/ton	No Change		Mattresses and furniture are bulky and consume a disproportionate amount of space in the landfill.
Furniture	\$9/item (6 punches) \$120/ton	No Change		See above
Tires	\$6/tire \$150/ton	\$7.50/tire (5 punches) \$175/ton		Tire specifications have changed over the years and gotten heavier. Markets have also increased in pricing.
Yard Trimmings and Brush	\$10/ton for loads larger than 2 cubic yards	\$15/ton No charge to residents up to 2 cubic yards		The cost to manage brush is increasing and the amount of brush the facility receives is also increasing.
Bulk Loads of Glass, Asphalt, Brick and Concrete and Mixed Aggregate	\$30/ton	No Change		Costs associated with managing this material is increasing. Cost to crush is \$25/ton
Electronic Waste – Monitors	\$15/unit	\$21/unit (14 punches)	The increase will cover costs.	Costs associated with managing electronic wastes have increased.
Electronic Waste – Solar Panels	\$24/panel	\$32.00/panel		Costs associated with managing electronic wastes are increasing.
Electronic Devices	\$6.00/item	\$9.00/item (6 punches)		Costs associated with managing electronic wastes are increasing.
Freon Containing Devices	\$21/unit (14 punches)			
Fluorescent Bulbs	\$0.10/ft	\$0.15/foot	No charge for residents up to 4 lamps.	Costs are increasing.
Compact Fluorescent Lamps (CFL)	\$0.60each			No charge for residents up to 4 lamps.
Cover Materials	\$10/ton	\$12/ton	Increased revenues by \$24,000	This is a market-based rate.
Food Scraps	\$50/ton	\$50/ton	No Change	
Food Scraps – Household		\$15 permit annually (10 punches)	This is a new program for households only.	A household food scrap permit will allow one household to deliver one 5-gallon of food scraps/week
Minimum Load (Scaled loads)	\$10.00	MSW - \$10.00 (6 punches) C&D - \$15.00 (10 punches) Bulky - \$12.00 (8 punches)		This is to reduce confusion and to be in compliance with NH Department of Agriculture; Weights and Measures standards for scales.
Equipment Assist	\$50.00	No Change		Service provided to commercial customers (ie., frozen loads)
Scale Use Fee	\$10.00			Provide Certified Weights
