

2021 Lebanon Food Truck Festival Application

Friday, August 27, 2021 - 5 pm to 9 pm & Saturday, August 28, 2021 11 am to 3 pm - Colburn Park

NEW information for 2021 in red font!

Basic Festival Information: The Lebanon Food Truck Festival will be held on the Western end of Colburn Park in downtown Lebanon, NH. The event is scheduled for Friday, August 27, 2021 from 5 pm to 9 pm and Saturday, August 28, 2021 from 11 am to 3 pm. Vendors may apply for the full event or either day. We plan to sell 1200 tickets per day. **COVID-19 precautions will be in place such as masks when not eating, and social distancing.**

Application Process: The Lebanon Food Truck Festival is a special event hosted by the Lebanon Recreation, Arts, and Parks Department. Applications will be accepted based on festival needs (variety, appearance, cost). We will accept a maximum of 15 food truck vendors per day. This application does not guarantee acceptance. All applications must be received by June 15, 2021. You will be notified on your status by June 22, 2021.

Participants: The festival showcases the variety of food trucks the region has to offer, as well as support the small business owners who run them. Each food truck vendor should provide their event menu as well as a \$3.00 sample of an item they would like to highlight. The food truck vendors are expected to have two lines: one for sample items (collecting sample tickets) and one for items from an event menu. Non-alcoholic beverages may be provided by food trucks. All alcoholic beverages will be served by Salt Hill Pub.

Payment/Fees: The participation fee is \$75.00 per day for accepted food truck vendors. Upon acceptance, payments should be made to the City of Lebanon and all required documents are due by June 18, 2021. All funds are committed to the success of the event, rain or shine. For these reasons, refunds are not available.

Inspections & Licenses: When applying, please submit a copy of your NH Food License and NH Hawkers and Peddlers License. If you are classified as temporary or occasional food service establishment by NH DHHS, safe food handling certification is required. Upon acceptance, please provide a Certificate of Insurance with City of Lebanon listed as additionally insured. Upon acceptance, all mobile food trucks shall be required to have an inspection and operational permit issued by the Lebanon Fire Department prior to operating within the City of Lebanon. Permits can be picked up at Lebanon Fire Station 1, 12 South Park Street, Lebanon, NH or online. Please contact Maddy Goodell at 603-448-8810 to schedule the inspection.

- Any mobile food truck operating within the City of Lebanon that produces grease laden vapors shall be equipped with an automatic fire extinguishing system per the 2018 IFC Section 319.4.1.
- Any mobile food truck operating within the City of Lebanon that produces grease laden vapors shall be equipped with LP-gas alarms per the 2018 IFC Section 319.8.5.
- To review all of the applicable requirements for mobile food preparation vehicles, please visit the International Code Councils website, Section 319.

Set-Up: You will be notified of your location on June 25, 2021. You will be assigned a loading time to set up for the event on Friday afternoon beginning at 12:30 pm and completed by 4:30 pm. Set up on Saturday will begin at 8 am and be completed by 10:30 am. You are expected to be fully set up 30 minutes before the event begins. **Two-day vendors may keep their food truck on Colburn Park overnight.**

Electricity: Limited electrical outlets are available upon request. Backup generators are highly recommended. All other food truck vendors must provide generators for their own power.

Breakdown: Breakdown cannot begin until the end of each day's event. Large equipment will not be pulled out until the crowd thins out.

Go Green Waste Reduction Program: After a pilot program with the Lebanon Farmers' Market, we are proud to announce Lebanon Recreation, Arts and Parks' Waste Reduction Program for 2021. All food truck vendors will be expected to use compostable and/or recyclable containers. All food products must be in compostable containers. Any other products must be recyclable. Details about procurement of approved containers will be available by May 20, 2021. The City of Lebanon will provide receptacles for participant's trash. You are responsible for collecting all trash or debris generated from within your truck and removing it from public property.

City Code Chapter 179: All Food Truck Vendors must be in compliance with City Code Chapter 179.
